Insurance/Health – Joe Polce

Premiums for FY 23

There was a 5.5% increase with our medical insurance effective July 1, 2022. There was no increase with the dental insurance. That premium will be the same as in FY 22. **Delta Dental** will remain our dental provider.

Open Enrollment

Open enrollment for retirees will be October 17 through October 31, 2022. This open enrollment period is for insurance changes to begin January 1, 2023 as our plan year is January 1 to December 31. There will be more information regarding the open enrollment process mailed to retirees in the near future.

Retiree Health Fair

The Human Resources Department is planning a health fair to take place in late September. The fair will take place at the Staff Development Center in Walkersville. The Department will provide more details regarding what will be offered very soon.

Retirees Turning 65

If you are in this category, you should apply for Medicare. The HR Department will need a copy of the Medicare Part A and B card prior to your 65th birthday. CVS will provide information regarding the Silver Script prescription drug coverage.

Burn Along

Burn Along is a digital health and wellbeing program that is offered to all active employees and retirees. The program is free for all members and is virtual. There will be more information provided with the open enrollment packet about how to enroll in the program.
