President's Message *by Kathy Campagnoli*

INSIDE THIS ISSUE

Dear Fellow Members,

Thanksgiving Day is just around the corner, reminding us to acknowledge the goodness in our lives. We should remember that when Abraham Lincoln proclaimed the last Thursday in November a day for giving thanks, our country was immersed in the turmoil of civil war. However, Lincoln still chose to believe in a better future and to feel grateful, because he asserted that gratitude does not come from our circumstances; it comes from how we choose to see the world. Should we not try to emulate Lincoln and choose gratitude in the face of adversity? Although many of our members have lost loved ones this year or have suffered health challenges themselves, they have remained mindful about the importance of being thankful and the readiness to show kindness and appreciation. This newsletter is dedicated to our members, for we are grateful for your staunch support of our association and its initiatives. We are thankful for you and your fellowship. We count each of you as a blessing!

We greatly appreciate the many volunteers who assisted school children with tours at the Frederick Fair, under the direction of Dr. John George. Gratitude is also extended to the volunteers who assisted with the FCPS Research ED conference held at Frederick High, with special recognition given to Carrie Mehl for her extensive work in overseeing the organizational planning for the event. We are also thankful for the members who joined us at our October picnic held at Ballenger Creek Park. The weather was perfect, the Mission Barbecue was delicious, and the camaraderie was sublime. The nearly one hundred members in attendance had much to be thankful for on that special day, especially the reduced cost of lunch as an acknowledgement from our Board of Directors of just how much we value your membership. Congratulations to Lee Jeffrey for winning the Panera gift card drawing at the conclusion of our fun ice-breaker picnic activity!

We look forward to sharing good fellowship at our upcoming holiday breakfast at Richland Golf Course in Middletown on December

7 (details included in this newsletter). We are grateful to the new FCPS Superintendent, Dr. Cheryl L. Dyson who will be devoting time from her busy school schedule to join us. Also, we are hosting student singers from Middletown Elementary School, under the direction of music teacher Autumn Avila. We hope you will join us for our special holiday event and mark your calendar for upcoming gatherings this spring: a luncheon on March 15, 2023 at Morningside Inn, followed by a luncheon on May 17 at Schroyer's Tavern at Maryland National Golf Club.

With kind regards,

Kathy

Happy Veteran's Day

November 11

On this day, we honor all current and former members of the Armed Services. Thank you for your service to this country. Your bravery, sacrifice, and strength do not go unnoticed, and we will always be indebted to you and your family for all that you have given to our country. We owe you our gratitude, but more than that, we owe you our freedom.

Medicare Changes for 2023

There are some changes with Medicare proposed for 2023 that if actually happens would be beneficial for retirees. The Medicare Part B premium is projected to be \$164.90 which is a decrease of \$5.20 from the premium in 2022 (170.10). As I have stated in the past Medicare premiums are income based. Go to Medicare.gov to view the chart of the income based premiums for 2023.

The Medicare annual deductible for 2023 is projected to be \$226.00 which is a decrease of \$7.00 from the annual deductible in 2022 (\$233.00). This deductible will reset on January 1, 2023. The deductible must be paid before medical claims are paid by CareFirst. The dental deductible also resets on January 1, 2023.

Social Security Increase

The annual increase to Social Security income is projected to increase by 8.7% for 2023. This would be the largest increase in many years.

(The changes mentioned above are projections at this time. We won't know the actual changes until we see them on January 1, 2023)

Medicare Open Enrollment

WE will or have started to get inundated with ads on Medicare open enrollment. Please remember that we are enrolled in a Medicare Part D prescription plan through FCPS. WE cannot be enrolled in two Medicare plans. So as good as some of these ads look, enrolling would terminate the FCPS plan.

Human Resources Staff Changes

Julie Ngugen has been appointed to the position of Director of Human Resources and Sarah Minnick has been appointed to the position of Senior Manager Benefits and Wellness. Christine Hubble remains as the retiree contact (301 644 5052)

CareFirst / Johns Hopkins Issue

The contract dispute between CareFirst and Johns Hopkins medical practice has been settled. Earlier Johns Hopkins threatened to stop accepting CareFirst insurance as an in-network client. In fact, several Johns Hopkins patients received letters from Johns Hopkins indicating that December 9, 2022 would be the effective day. The dispute centered on the amount of money CareFirst paid on claims. Hopkins decided to hold their patients hostage as a bargaining chip. The fact is that both parties needed each other. Finally after much agony, the dispute was settled. Hopkins will remain as an in-network practice. At least until the end of this contract term.

FCRSPA Auditor Report

The auditor met with Treasurer Shirley McDonald on August 31 to complete the annual audit of the FCRSPA Treasurer reports. All records were in order so the report prepared by Treasurer McDonald was signed. Thanks to Shirley McDonald for her accurate financial work for our organization.

Shirley Stroup, Auditor

The 160th Great Frederick Fair featured 68 retired educators who covered 81 positions as volunteers to host 5,000 Frederick Public School elementary students in chaperoned groups, Monday, September 18 through Thursday, September 22. Many of our volunteers (and some spouses) served multiple days. The balance of 101 positions were covered Rotarians from the Noonday Club. The eleven agricultural education stations were overseen by AgEd Chairperson and FCRSPA member Jim Ferrant.

Dr. George is very grateful for the many who volunteered for this successful event:

National Day of Giving November 29

The National Day of Giving or “Giving Tuesday” (which takes place on the Tuesday after Thanksgiving) was created in 2012 to unleash the power of radical generosity to those in need of charities. Non-profits and charitable organizations usually participate in the day to fundraise for the disadvantaged and underserved. The movement has now grown to eighty countries around the world. If you would like to participate, we encourage you to donate to your favorite charity or to visit the MRSPA.org website so you can donate to our state organization to support contributions to the Maryland Food Bank. Thank you!

TOYS FOR TOTS!

The December 7 holiday breakfast at Richland Golf Club will feature our annual Marine Corps Toys for Tots collection. Please bring unwrapped toys for children aged 0 to 12. The Marines are also always happy to accept cash and checks (made out to Toys for Tots). Please also bring any school supplies or toiletries you may have accumulated.

Thanks to those who attended the Ballenger Creek Park picnic in October and the Lewistown luncheon in July there were enough school supplies plus \$13 in cash to donate to a school which had never received a donation from FCRSPA: Windsor Knolls Middle. The generous contributions of toiletries went to SHIP, the Student Homelessness Initiative Partnership. If you would like to make a monetary donation to SHIP, which provides "new clothing, funding for youth enrichment activities, counseling services, and emergency shelter when no other options exist" (from the website www.shipfrederick.com), please **make checks payable to FCRSPA with SHIP on the notation line and bring to the holiday breakfast or mail to:**

Ijamsville, MD 21754

The 2022-23 *Sailing Through the Winter Solstice* boat display on Carroll Creek in downtown Frederick will take place from November 19 to March 4. If you choose to vote for the Hood College boat entry you will be benefiting scholarship aid to SHIP students. There is a SHIP student currently attending Hood and doing well.

Many thanks to the 17+ FCPS retirees who volunteered at the ResearchED conference at Frederick High on October 22.

HELLO

The dues renewal period is closed. **HOWEVER**, if you did not renew and still wish to do so (we hope you do!), you can still forward your renewal to the MRSPA office to be reinstated. An easy way to ensure that your membership is always up-to-date is to Switch to dues deduction. Your dues will automatically be deducted once a year from your retirement check.

As always, we appreciate your assistance in recruiting new members, sharing the names of those who have passed away, and informing us of contact information changes. It really is a team effort. **MRSPA continues to offer a \$10 gift card to ANY member who recruits a NEW member who signs up for DUES DEDUCTION.**

Since our last newsletter, we have gained 30 new members, but sadly, we have lost four members to the Memorial Roster.

1 **“EACH ONE REACH ONE”**

You know why you belong to MRSPA and FCRSPA. Talk to a retired friend and invite him or her to join us. You know why you are a member. Let your friend know, too! We have learned from new members that personal contact is the most effective approach to recruit new members.

Our FB page provides up-to-date, FCRSPA-related news and reminders. If you are a FB member, you should be able to find our page by searching for Frederick County Retired School Personnel Association.

All requests will be vetted against our membership roster. Currently we have **212** members who have joined our page.

Please join us!

We were happy to recognize four new members who attended the October picnic. From left to right are David Kehne, Carrie Mehl, Donna Hashemzadeh, and Tess Blumenthal.

Since our last newsletter, we have gained 30 new members.

That impressive list fills the following page.
