## President's Message *by Linda King*

Our summer months are full of activity and this summer we spent an enormous amount of time trying to stay cool. In retrospect, the months of June and July just sped by and August seems to be doing the same.

We ended our organizational year with a great picnic at the Jefferson Ruritan Center. That evening we enjoyed good food, socializing with new friends and seeing friends we had not seen for a long while. We honored two of our Emeritus members, Pauline Flannagan and Helen Schley. Following that we enjoyed awesome music by Sarno & Hess. A terrific evening!

I attended a MRSPA President's Meeting in July at our headquarters in Odenton, Maryland. The majority of our day was spent discussing ways to increase our membership. Our new MRSPA President, Anne Marie Downey, reminded us to think about the reasons for joining MRSPA. Her slogan for her term is "MRSPA – Connecting, Protecting, Making a Difference". We Connect socially with our co-workers, communities, and elected officials. We seek to Protect our benefits that we earned in our careers, and we volunteer in our communities to make a difference.

The FCRSPA Board of Directors met August 7, 2018 to discuss our past and future endeavors. What worked and what needs to be changed to make our organization better? What new things can we try to entice and convince more retirees to join us?

## **Community Service Update**

*Submitted by Irene Bailey, Claudia Harrington, and Beryl Long*

The Community Services Committee distributes school supplies to county schools for needy students. An overflowing tub and two large boxes of supplies were collected at the Jefferson Ruritan at the July 10 picnic. Monetary contributions amounted to \$40 and will be used as sales appear at local retailers. Supplies will be delivered (probably in October) when the surplus of community back-to-school donations has started to dwindle.

There are needy students at every level, pre-K--12. Please bring new, un-used school needs including pencils, pens, erasers, crayons, markers, glue, rulers, scissors, loose-leaf paper, binders, folders, spiral or composition notebooks, etc., or cash, to the October 9 luncheon in Lewistown. If you are unable to attend, please ask a friend to carry items for you. At the December Holiday Breakfast/Brunch (Dec.4, mark your calendars) we'll again collect unwrapped toys to donate to the U.S. Marines' Toys for Tots campaign.

Community Services also helps in gathering travel size toiletries for the Bridges to Success program to distribute to Frederick County students. Hundreds of soaps, shampoos, lotions, toothbrushes and toothpastes, and feminine products were donated at the July picnic.

Thanks to all who assist in providing the basic tools and human necessities to students in Frederick County schools.

Planning ahead, please begin thinking about nominating someone for the annual Community Service Award. You may nominate yourself or any other member of FCRSPA. Last year the nomination was heavily based on volunteer hours, but it does not necessarily need to be this year. Many types of contributions to our community are important and of great value.

### **CareFirst**

There have been some minor glitches with initial change from UHC to CareFirst. Just remember that the basic plan design for both medical and vision have not changed. Plan benefit information is available at [www.fcps.org](http://www.fcps.org) and at [www.carefirstfrederick.com](http://www.carefirstfrederick.com). Retirees should register as members of CareFirst to get correct access to all the benefits. The find-a-doctor section may be difficult to manage as it is entirely different than UHC's. I found that putting in my zip code instead of my address when searching for a doctor got better results. This part will continually be updated. It may be easier to call your doctor(s) and ask if in network. Any problems should be directed to either Doris Toms at 301-644-5052 or Evelyn Davis at 301-644- 5115.

### **Open Enrollment**

The retiree open enrollment period is from October 15 to October 31. This is the time for retirees to make changes to their health or dental insurance plan. Information will be coming as to time and location.

### **Dental Plan Enhancements**

Effective January 1, 2019 the dental allowance will change from \$1000 to \$1500 or \$2000 to \$2500. This will occur automatically to which ever allowance enrolled. This is at no additional cost to the premium.

### **Hearing Aids**

A hearing aid benefit was added to the health insurance plan beginning July 1, 2018. The benefit is \$3500 once every two years. There is a prior authorization requirement from CareFirst.

### **Vaccine Coverage**

The following vaccines will be covered under our medical plan: Flu shots, Shingles and Pneumonia. CVS does not cover vaccines through our prescription coverage although you can have them administered at the Minute Clinic. CVS will then invoice the CareFirst directly.

### **United Health Care Claims**

There will be claims submitted to UHC after to July 1, 2019 might create a slow processing problem. The Insurance Council has approved a 12 month run out with UHC to process all claims that occur after July 1, 2018. This means that UHC must continue to process and pay claims for a 12-month period. If you are having a problem getting a claim settled by UHC, please notify Doris Toms immediately.

### **Retiree News and Notes Article**

The Rx Alert section of the Maryland State Retirement Agency does not pertain to FCPS retirees. Please DO NOT ENROLL in this Medicare Part D plan. All FCPS Medicare eligible retirees are enrolled in a Medicare Part D plan through CVS which is called SilverScript. NO ACTION is required from us on this matter. The Rx Alert refers to Maryland State retirees.

Please note that we have worked with Julie Norris, your Activities Director, to provide a shuttle bus to each of our 2018-19 events. A minimum of six residents must sign up for each event to make it possible to run the shuttle. In addition, you will need to mail your reservation form and payment for each event to Brenda Banko, whose address is on the reservation form. Please note the deadline for each event.

## **A Note to All Former Music Teachers**

*Submitted by Sally McMurry*

We are considering a partnership with The Salvation Army of Frederick. We need a few former music teachers that are interested in providing after school instruction with musical instruments, to children of our community. All of the arrangements would be done by the Salvation Army staff. We just need to provide instructors. If this sounds like a service project that would fulfill your need to perform a "random act of kindness," please contact our President, Linda King.

## **FCRSPA Scholarship Update**

*Submitted by Nancy Gordon*

This year FCRSPA and FCRSPA/Richard and Pat Petre Scholarships gave awards to two recipients through the Community Foundation of Frederick County. Our appreciation to Bonnie Strine and Shirley Stroup who serve on the review panel for the selection of these scholars.

Each year the FCRSPA Board of Directors and Richard and Pat Petre make decisions on the amount to be distributed and the number of scholars to receive the scholarships. Your contributions throughout the year and especially in the designated-giving month of March help the funds to grow. There is interest in finding ways to increase the funds so that more scholarships can be awarded. Any suggestions for ways to do this are welcome!

The two recipients for this year, Brianna Miller and Sasha Pabis, shared a brief bio about themselves and their appreciation for the scholarships.

Hi! My name is Brianna Miller. I graduated from Catoctin High School on May 31st, 2018. I was accepted into the two colleges that I applied to, Hood College in Frederick, Maryland and Mount St Mary's University in Emmitsburg, Maryland. Both of these places offered amazing financial aid, but I know I couldn't do it without the help of the FCRSPA, whose funds will help with my tuition for MSMU. I chose this college due to my long desire to go there, as it has always seemed like a perfect fit for me (small, private, university, community-oriented). I'm going to double major in social studies and history in order to be a teacher of history (and hopefully psychology) in secondary education (high school). I received four different scholarships from the Community Foundation. So, finally, I just want to thank every supporter and contributor to my college education and want to tell them I promise I will not let any of you down!

Sasha Pabis will be entering her sophomore year at Flagler College in St. Augustine Florida. She will continue her studies with a double-major in Elementary Education & Deaf Education. This fall she will begin her practicum at the Florida School for Deaf & Blind. She enjoys helping students learn & excel and is especially interested in learning more about deaf culture and bridging the gap between hearing and deaf communities. She was on the Dean's List for both semesters of her Freshman year and is excited to continue her education this fall with the help of the FCRSPA scholarship.

If you turn **90** on or before **June 30, 2019**, you will be eligible for **Emeritus** membership beginning on July 1, 2019. Congratulations! **No more dues!** We must have your birth date in order to award your *Emeritus designation*.

*Because the change goes through the Retirement System, no refunds can be made after the fact.*

Since the last newsletter we recognized two more Emeritus members at the July picnic: Pauline Flanagan and Helen Schley. Emeritus members are those individuals who have reached the milestone of 90 years of age, becoming lifetime complimentary members. In her introductory remarks at those recognitions, Debbie shared that MRSPA is privileged to have over 600 Emeritus members, with 100 of those having reached the age of 100! Our next recognition will occur at the May 2019 gathering.

We have received two more bios from Emeritus members. Sadly, Charlotte Holter passed away since we received her information. It is only fitting, though, to include her information.

### **Charlotte Holter**

Charlotte was born on June 24, 1925 and resided at Buckingham's Choice. She began her career as a teacher at Middletown High School and retired as the Supervisor of Instructional Materials. Charlotte worked for FCPS for 42 years!

### **George Kendrick**

George worked for FCPS for 25 years. During his retirement, he has enjoyed puzzles, stamp collecting, walking, Bingo, cooking and baking. George is also an Orioles fan and a Redskins fan. On November 26, George will celebrate his 92nd birthday.
